### SUMMARY

Junior Full Stack Developer specializing in ASP.NET Core and React.js, with strong foundations in building scalable web applications and RESTful APIs. Experienced in developing responsive user interfaces and working with relational databases such as MySQL and SQLite. Passionate about problem-solving, writing clean and maintainable code, and continuously learning new technologies in a collaborative Agile environment.

Experience in technical support and teaching programming concepts, with strong problem-solving and communication skills.

### WORK EXPERIENCE

#### IT Support / Hardware & Software Technician

05/2026 – Present

Eldabaah Store

Alexandria

- Windows installation, troubleshooting, and software maintenance
- Hardware repair, technical support, and basic networking configuration

#### Technical Instructor

2022 – 05/2026

Freelance & Academies (House of Talent, Omar El Nashar)

Alexandria

- Taught programming fundamentals (HTML, CSS, JavaScript)
- Guided students through building real-world projects
- Simplified technical concepts into practical solutions
- Improved students' problem-solving and debugging skills

#### Full Stack Developer

2024 – 2025

Performa Tech

Egypt-Remote

- Built full-stack applications using ASP.NET Core & React.js
- Developed and integrated RESTful APIs
- Created responsive user interfaces
- Collaborated in Agile development teams

#### IT Support & Hardware Technician

01/2021 – 01/2023

Lap Store

Alexandria

- Diagnosed and resolved hardware and software issues
- Installed and configured operating systems and applications
- Troubleshoot system performance and user-related problems
- Provided technical support and improved system reliability

### EDUCATION

#### Bachelor of Computer Science & AI

2021 – 2025

Pharos University in Alexandria

Alexandria, Egypt

#### Diploma in Artificial Intelligence

01/2023 – 08/2023

AAST

Egypt

#### Diploma in Full Stack Development

01/2022 – 08/2022

AMIT

Egypt

#### Diploma in Backend Development (ASP.NET)

01/2024 – 08/2024

Route

Egypt
